Primping In Purple To Bring Justice For Somer

ORANGE PARK, FL. -- A Westside salon wants you to primp in purple to help bring justice for Somer Thompson.

Brittany's Spa Salon is offering purple hair extensions in exchange for a \$10 donation to help find Somer's killer. They hope to raise two-thousand dollars.

And so far they have had about 50 donations. All of the money donated will go toward the Justice Coalition reward fund.

"Don't forget what happened. And I hope that a lesson at least is learned from all this. We all have to stick together as a community and even though everything has happened and it's over, it is still there," said Lexi Wolf.

The fundraiser will continue through next week or until they reach their goal. Brittany's Spa Salon is located on Argyle Forest Boulevard.
